LDMD Parking Programs

CITYPARK Customer Validation

CITYPARK provides free parking, in one-hour increments, to customers of over 20 participating retail and professional businesses. Fourteen parking facilities with over 9,100 spaces accept validation stamps. CITYPARK is jointly administered by LDMD and the Parking Authority of River City.

Sandlot Parking

This peripheral parking program located at Louisville Slugger Field (Jackson & Main) is on the Main Street Trolley route. *There is no monthly availability at this time.* Contact Riverside Parking at 502-584-2459.

School Bus Parking

To accommodate the growing number of attractions in downtown that draw numerous school groups, bus drivers can drop off passengers at their destinations then proceed to the designated on-street parking zone located on both sides of Eighth Street and the east side of Roy Wilkins from Chestnut Street to Broadway.

For More Information

LDMD's database of downtown parking statistics and information can help you with questions about the available parking supply for specific sub-areas of downtown, as well as parking facility owners and operators, and plans for additional parking that are underway.

(1) Available to public for a specified rate.

(2) Restricted to employees, patrons, and/or residents of each facility.
